Customer review & approval

Check every name, award, organization, year, layout, and quantity against your order.
Spelling is copied from the roster and is not verified automatically.
Print at actual size for scale checking. Artwork still requires a production test.

I have reviewed all numbered recipients and approve the wording and layout shown.

Internal review recorded: QA fixture — no customer approval / 2026-10-25

Local record only. Identity and signature are not independently verified.
